Experience

KRISH NURSING ACADEMY | Educational and Operational Manager
June 2024 – July 2024| Bhiwani,Haryana

- ➔ Managed daily operations and led competitive exam preparation for students at Krish Nursing Academy, Bhiwani, during vacation periods.
- ➔ Supervised and streamlined academy activities, ensuring efficient management and a high-quality learning experience.

BGMI , VALORANT TOURNAMENT | GAMING EVENT COORDINATOR
March 2024 | BMU, Gurugram

- ➔ Organized and coordinated a successful BGMI and Valorant gaming event, overseeing logistics, team coordination, and sponsorships.
- ➔ Managed player engagement, event promotion, and ensured smooth execution for an engaging and impactful experience.

Projects

ECHOCLOSET | THRIFT SHOPPING WEBSITE
2024

- ➔ Led the conceptualization, design, and development of a thrift shopping website as part of a collaborative project, demonstrating strong teamwork and technical expertise.
- ➔ Created intuitive user interfaces and integrated backend systems to ensure smooth operations, utilizing HTML, CSS, JavaScript, and various backend tools.

MENTAL HEALTH MONITORING SYSTEM | PYTHON
2024

- ➔ Performed data analysis on depression detection using text processing and actigraphy-based datasets.
- ➔ Leveraged Python libraries (Pandas, Numpy, Matplotlib) to process large datasets and extract actionable insights.

BMI CALCULATOR | BMI Monitoring Innovation
2023

- ➔ Designed a height and weight measuring system with a BMI calculator using a load cell and ultrasonic sensor for accurate data collection.
- ➔ The project integrated sensors to automatically calculate BMI, providing real-time health measurements for users.

Certifications

- ➔ Coordinated a successful BGMI and Valorant event, managing logistics, teams, sponsorships, and promotion.
- ➔ I possess an intermediate level of proficiency in German,equipped to communicate effectively in professional settings.

Skills

PROGRAMMING

Proficient:
Python • SQL • HTML • CSS

Experienced:
Python •HTML •CSS • Javascript

Familiar:
Java • C++

LIBRARIES/FRAMEWORKS

- • Node.js

TOOLS/PLATFORMS

Visual Studio Code • SSMS Server • Google Colab

Education

BML MUNJAL UNIVERSITY
Bachelor's in Computer Science
AUG 2023 - Present | Gurugram, Haryana
School of Engineering
Cum. GPA: 6.17 / 10.0

G.R. SENIOR SECONDARY SCHOOL
12TH | CBSE BOARD
2023 | Bhiwani,Haryana
Senior Secondary Education
Percentage: 67.4 / 100

Coursework

- ➔ Operating System• Web Dev • ComputerNetworks •Database Managment System

Interest/Hobbies

- ➔ Playing online games
- ➔ Listening to music
- ➔ Learning coding Languages
